

### ST MARTIN, Chalet Floralie

Little-known St Martin is actually the prettiest village in the Trois Vallées. It's also now the location of one of the most design-savvy chalets. Smack-bang next to the lift, Floralie is owned by John Ayton and Annoushka Ducas, founders of Links of London and Annoushka jewellery. The enormous central hub has stacks of different living areas all in one, but it's the futuristic spa, jet black and almost cave-like, that makes it really snazzy. The best spot for a quieter retreat away from the endless braying teens. **Sleeps** 14/16 + 2 children **Tel** 01243 575507 **Website** skifloralie.com **Rates** From £11,200 a week.
